Tarzan Wonder Car Song Download

Devesh (Ajay Devgan) was Raj's father who was a futuristic car designer He owned an old car, which was passed down to him from his father and he hoped to pass it on to his son, Raj.. After many hours designing, he shows his design to a car company owned by four men (Pankaj Dheer, Sadashiv Amrapurkar, Shakti Kapoor and Mukesh Tiwari), little did he know that they would turn around and patent the design and take credit for it.. In an attempt to get justice, Devesh reports the incident to the police and later finds out the hard way that the police officer was part of the deception.. After Devesh confronts the men, they fight and Devesh is knocked out and left unconscious.
